DESIGN

Design your future through creativity, technology, and industry excellence. 50+ years of academic heritage, now reimagined for the next generation of designers.

FIVE DECADES OF EXCELLENCE. ONE NEW ERA OF DESIGN.

VISION

To be India's leading design institution, shaping globally competent designers through innovation and industry collaboration.

MISSION

To empower future designers through industry-driven education that blends creativity, technology, and innovation.

Established in 1981, the **Foundation for Organisational Research and Education (FORE)** is a premier institution dedicated to education, research, executive development, and consultancy. Over four decades, FORE has built a strong reputation for academic excellence and industry relevance.

Its flagship institution, the **FORE School of Management (FSM)**, is among India's leading business schools, supported by a distinguished alumni network of 8,000+ professionals, including 1,500+ global professionals, 700+ senior leaders, and 200+ CXOs.

Building on its legacy, FORE established the **FORE School of Jewellery Design (FSJD)** in collaboration with the **Design Academy of India (DAI)** and has further expanded into communication design through the **School of Communication Design (SCD)**, offering industry-focused programs in Jewellery Design, Graphic Design, Interaction Design (UI/UX), and other creative disciplines.
